Consumer Notes:

A kiss from a rose can also be a kiss of death when it comes from the four-man team of Knight Hunters. With solid, moody storyline and astounding character designs, Action is in your sights with Volume 1 of this CLAMP masterpiece. Then grab your batteries and your remote, and check out Hand Maid May Volume 3. Wacky hijinks come in small packages. It just goes to show that pint-sized androids make for big time laughs!

ANIMANIAC'S PICK(S) OF THE MONTH

It's the holiday season once again and if you're still looking for last minute stocking stuffers look no further than our latest batch of Wall Scrolls and Mini Wall Scrolls! Fans may be disappointed with the sparse number of releases this month, but the New Year is looking up with shows like the visually stunning (at least on DVD) Here and There, Then and Now, the conclusion to the complex suspense thriller Boogiepop Phantom, and the next DBZ movie: Cooler's Revenge.
